

Graduate College Research Fellowships Summer 2009

Summer fellowships (\$2,000 each) are available for continuing graduate students who are actively involved in their thesis or dissertation research. This opportunity is open both to U.S. citizens and to international students. For doctoral students, priority will be given to those who have been admitted to candidacy.

Successful applicants must enroll in a minimum of three (3) graduate credits of these or dissertation research for the Summer 2009 term.

Submit ALL application materials in ONE envelope (complete packet) to the Graduate College by May 1, 2009. Please include the following:

1. Cover letter (from student applicant)
2. One-page brief proposal outlining purpose/methodology of thesis/dissertation
3. Copy of most recent unofficial transcript
4. Date of completion of all doctoral candidacy requirements (*if applicable*)
5. List of University activities/service
6. Letters of endorsement from research advisor and department head
